DuPage Water Commission Sales Tax Expires May 31, 2016

To: All retailers and servicepersons conducting business within the territory of the DuPage Water Commission

Effective **June 1, 2016**, the combined sales tax rate for locations currently within the territory of the DuPage Water Commission will decrease by 0.25 percent, due to the DuPage Water Commission Sales Tax expiring on May 31, 2016, as required by Public Act 96-1389.

All retailers or servicepersons making sales of general merchandise or items that are titled or registered by an agency of Illinois state government **and** who are located within unincorporated DuPage County or any municipality served by DuPage Water Commission will be affected by this change.

This bulletin describes the resulting effects to Forms ST-1, Sales and Use Tax and E911 Surcharge Return; ST-2, Multiple Site Form; ST-556, Sales Tax Transaction Return; and ST-556-LSE, Transaction Return for Leases.

Where can I find my new combined sales tax rate?

To verify your new combined sales tax rate (*i.e.*, state and local sales taxes), go to the **Tax Rate Database** on our website at tax.illinois.gov, enter your location, and select rates for June 2016.

ST-1 and ST-2 Filers

Beginning June 1, 2016, the DuPage Water Commission Sales Tax will no longer be part of your combined rate on Forms ST-1 and ST-2. Taxpayers who receive preprinted Forms ST-1 and ST-2 from the Department will see the new rate on Line 4a for the June 2016 tax period and forward. Users of MyTax Illinois will see the new rate for the applicable periods.

Special return instructions for quarterly and annual filers — Due to the rate changing during the reporting period, you must report the pre-June portion of the total receipts on Line 8a¹ rather than Line 4a.

<i>Portion to enter on</i>	Line 4a <u>(rate effective June 1)</u>	Line 8a <u>(rate effective before June 1)</u>
• <i>Quarterly filers</i>	June 2016	April and May 2016
• <i>Annual filers</i>	June through Dec. 2016	Jan. through May 2016

You must adjust your cash registers and any computer programs so that beginning on June 1, 2016, you will collect and pay the correct sales tax amount. If you use software to create the forms you file, that software also must be adjusted. Contact your software vendor.
